

GOVERNMENT FEE STRUCTURE FOR ALL COURSES

Following your placement in the Institution, you are eligible for government scholarship, HELB and bursary to assist you with your education expenses. In case the government scholarship, HELB or bursary do not cover the cost of your studies, the deficit will be paid by your parent/guardian.

Below is a table that shows government funding model and the benefits therein:

NB: For trainees to benefit from government scholarship and HELB they **MUST** make an application for consideration through the official website www.hef.co.ke
